[ly/31yUngg](http://bit.ly/31yUngg)About This Game18 Floors is a VR experience combining room escape gameplay with puzzle elements.. The first episode of the game is comprised of two rooms, the Phantom Room and Sea Express stage.. Considering there's really no replayability in these types of games, I don't think most people would be willing to pay that much for so little.. - You can't ask for a hint, you'll have to go to youtube which also might spoil other puzzles.. Please AOGA Tech give us an update! I see that there are new achievements so I hope that means it won't be too long.

### floors

floors, floors and decor, floors direct, floors by the shore, floors like glass, floors to your home, floors and more, floors unlimited, floors to go, floors in spanish, floors for living, floors usa, floors for less

- Missing feature: You can't restart a level, you have to exit the game and open it again.. Please let us know what to expect AOGA! I'm sure I'm not the only one who would appreciate it!Other than that the game is solid.. I'm guessing the low ratings are because there are only 2 levels so far but for the 6,50 euro I paid for the cd k ey its ok.. We are now on the brink of Q2 this year and still nothing I just today found out that PSVR was updated but not steam (which bummed me out).. But for now it's only 2 puzzles (although they are challenging and time consuming) for 15 bucks.. So I would love to know what the deal is and if we can expect the DLC for Steam players soon too.. I would because I LOVE these types of games lol But if there were even just 2 more floors I'd say 15 dollars is a very reasonable price.

They ran out of funds or ran off with the money but there was running going on By the way it's buggy on Windows Mixed Reality devices and besides visual artifacts you can't properly rotate notes, which is something you'll want to do a lot.. But I'm a little disappointed with the lack of transparency from the creators The last news we have been given is that more puzzles will be released in Q4 of last year.. AOGA, I humbly ask that you keep the people who invested in your game updated in regards to progress.. 18 floors psvr dlc 18 floor embassy bucharest 18 floors dlc 18 floor cruise ship.. The levels are sooooooo pretty, amazing textures and 3d objects Puzzles are better than in almost all real life escape rooms as there is no need to dumb them down so people can finish them within 60 minutes.. By the way it's buggy on Windows Mixed Reality devices and besides visual artifacts you can't properly rotate notes, which is something you'll want to do a lot.. floor 18 cairo 18 floor covering 18 floors calculator puzzle 18 chrome floor fan.
